Introduction

M-Line

Unique Selling Points

PRESTIGE M-Line

Outstanding space for total relaxing and entertainment onboard

Catamarans advantage of wide space, natural light and multiple relaxing areas

High efficiency +20% vs monohulls

Lower emissions, lower operating cost

Stability of the catamaran, and a limited beam

Better seakeeping, less motion sickness, easier marina berthing, cost & weight optimized

1

OUTSTANDING SPACE

PRESTIGE

New dimensions in comfort on the water

- New hull base optimizing space onboard
- 130m² / 1400 sqft of living space on the M48

HIGH EFFICIENCY

2

PRESTIGE

Lower emissions, lower operating cost

- 20 knots top speed
 - 80 liters per hour at 17 knots!
 - 600NM range at 8 knots!
 - M48 offers the benefit to the owners **to choose their cruising speed**
- 

STABILITY

PRESTIGE

- 
- The architecture of the catamaran provides **natural stability at the anchor**
 - The twin hulls also provide **stability when underway**. No unsafe heeling, the boat remains steady
 - Our M-line beams are below market average for catamarans
-
